THE SCHOOL OF THE PROPHETS is governed by **the MINISTRY of the HOLY GHOST** and is a teaching and equipping ministry of Dawn of a New Day Ministries.

**PROPHETIC LIFE Ministry** is an apostolic and prophetic network working together with Christ-centered churches, leaders and individuals where relationship, support, accountability and resource occur. We are a network of apostles, prophets, evangelists, pastors and teachers united to be sent for the purpose of fulfilling the apostolic mandate of the Ekklesia (Called Out Ones - "The Church").

**1** The early church operated under a spiritual government where these ascension gift ministries were in full operation, working as teams, equipping and releasing saints to do the work of ministry. It is essential that this form of apostolic and prophetic order be restored in the Body of Christ.

**SACRIFICE IN PROPHETIC MINISTRY:**  
 True prophetic ministries are unpopular, and uncompromising they strive in own discomfort and personal sacrifice. True prophetic ministries are unconcerned with men's opinions about them, they often times speak the words given them, hoping in their hearts they do not come to pass, they are mocked, rejected and misunderstood, yet they do the work nonetheless, for it is their calling, their duty, and their reasonable service to God.

**OPERATING IN PROPHETIC MINISTRY**  
 This prophetic ministry operate in the office of a prophet, and move in the gift of prophecy, knowing and prophesying in part (1 Cor. 13:9). The prophetic minister's responsibility is to listen to the Holy Spirit and accurately speak what they hear; the recipient's responsibility is to judge their words according to the Word of God. "Do not despise prophecies. Test all things; hold fast to what is good" (1Thes. 5:20-21).

## Introduction to the Ministry of the Holy Spirit

Welcome to the School of the Prophet training. We have been moved in the prophetic and functioning as a prophetic team in the church for over 19 years. With

more than 25 years ministry experience we have prophesied to Leaders, Pastors, Bishops, business executives, and many other in and out side of church. The **miraculous gift of prophecy** is a gift to those who are willing to know God in a more intimate place. Like any prophet as indicated in the Scripture, you will learn how to speak with an authority that will move mountains. As the Bible teaches that you may prophesy one by one. So come and demonstrate the work of God according to God's Holy Spirit. **D**

When you obtain the text book for the course in these pages you will find a detailed definition both scriptural and historical of the necessity and function of the Prophet in the Holy Ghost, in the prophetic ministry, business and family. We specialize in establishing an ethical foundation of servant hood, leadership to impact lives in the church during their crucial season of preparation for Christian maturation.

Through the reiteration of the necessary balance between authority and submission, the teaching ministry of the Holy Ghost compel the Church to assess their motives and attitudes as well as their Performance and Gifting.

**(3) Books You Will Need**

## (5) Levels Of The Prophetic Christian Life

**Level 1 Prophetic Call Ramah:** This is the beginning stage where you as an aspiring student of Christ, have determined that you sense the call of God to go deeper into THE WORD and function in prophetic ministry or as a prophet. In answer to your sensing of destiny, you have placed yourself in the position of a student, and are experiencing the appearance of your teacher. This is also the level that starts the process of elimination, as obligations are defined. Books etc.

**Level 2 Gilgal:** At Gilgal, or the Circle, you will experience the repetitiveness of Lessons that must be assimilated and successfully applied in your life. This is the level of exposures to new realms of thought that will challenge you to manifest excellence in every area of life.

**Level 3 Jericho:** At Jericho stage, your training will intensify. You may find that this will be the stage when you will face the test of commitment.

**Level 4 Jordan:** At Jordan you will be brought into the supernatural manifestation of the Holy Spirit where you will prophesy under the guidance. Your prophecy will be critiqued by the Company of prophets, for the spirit of the prophet is subject to the prophet. Jordan is a significant plateau, for Jordan experiences the parting of the water; this will be the Level where you will experience the parting of your lips.

**Level 5 The Test:** At Jordan, This is the level of scrutiny, where you will be assessed in preparation for your initiation into School of the Prophet. The Scripture commands us to Know those that labor amongst us. You will sit for an intermediate interview with professors of School Of The Prophets.
